

Join the flow!

Welcome to the

8th National Flow Cytometry Meeting

and the

Flow Cytometry Course by ExCyte

Hosted by The Norwegian Flow Cytometry Society (NFCF)

Solstrand Hotel & Bath (Bergen) 18th – 20th of May, 2016

You are hereby invited to participate in two joint events at the beautiful venue of Solstrand Hotel & Bath just south of Bergen.

ExCyte Flow Course: 18th of May 1pm – 19th of May 11am.

Experienced specialists in flow cytometry will give you a unique possibility to expand your knowledge and deepen your understanding of flow cytometry. A basic understanding of flow cytometry is beneficiary, but all participants are welcome. The course is offered by the world leading flow cytometry training company ExCyte, and will give you an up-to-date, state-of-the-art series of classes.

Check www.expertcytometry.com for more information.

National Flow Cytometry Meeting: 19th of May 1pm – 20th of May 1pm

Beginner or experienced flow user? Join participants from all major universities in Norway for two days of excellent lectures, fun discussions and a Key Note speakers. This is the most important event for Flow Cytometry in Norway, giving you a unique opportunity to meet and network with fellow researchers in the field.

Check www.flowcytometri.no for updates on the program.

We *highly* encourage participation at *both* events. PS: Bring your swim suit!

Fees:

Course and meeting 18th – 20th of May: 6700,- NOK
